SECRETARY'S REPORT BY Dick Boggs: Accepted as posted on the website and passed out at this meeting.

TREASURERS REPORT BY SCOTT MORTON: May have broke even on the race, driver levy yet to pay. Gate cleared \$1000.00. Have an obligation for \$1.00 to the injured warrior fund from each ticket. Accepted as presented.

MARKETING BY BRYCE KING: The color guard and National Guard singer were outstanding, the overall concept of the marketing worked well and we can grow with it. Next marketing meeting will be at my office on May 20th, 7:00 PM, 4735 NE 4th, Renton 98056. Need attendance to work on contact info for the Car Tenders sponsored race.

POT OF GOLD: Glen Peterson won the pot of gold which was \$60.00 with half going to the worker fund.

COMMITTEE REPORTS:

RACE CHAIRMEN BRUCE BOYD: Excellent job done by the ladies at the gate and we have arranged to have them for the next race. Military presentation was top notch. Timing and scoring problems and it was scrambled for some time. There was a discussion about replacing the loop and it was decided to hold off until we can test the external line and connections. Some unnecessary radio activity but a clean race week end. Control is concerned about the tight schedule between sessions, 7 minutes they want 10-12 minutes. The problem is that on Saturday we have to be off the track by 4:00 due to the drag races.

OLD BUSINESS:

Randy Blaylock asked that if anyone had any suggestions or comments on the Novice program to please give him feedback. There were 22 Novice's at Portland and 21 in Seattle.

An election was held for a new Board member to replace Scott Morton who has taken the Treasurers position. Manfred Duske was elected.

Car Tenders has agreed to sponsor the August race, we need to determine what group would be interested in a special race.

Ricky has asked to use the E-truck for the Sovren race. We will rent the bus to Sovren in exchange for a booth at the Historic. The usual rent for the Bus is \$300, booth rent is \$375 so if we let them use the E-truck should be about even if they will fill the truck with gas. Rick Bostrom will talk with Sovren and work out the trade details.

There was discussion of buy a bus replacement and our replacement of the Driver Services trailer and the discussion of what was needed in a new truck. Jack Scher said he would keep his eye out for a good one at the auctions.

GOOD OF THE ORDER:

Discussion of a special race and Randy Blaylock said he had been in contact with a stock car group who could run in SPO. He also volunteered to contact Norm Smith and see if the Legends would be interested in a special race.

There was information given by Jack Scher with regard to the new Go Kart track and fee to use the track for a day is \$80.00. The operation of the track is independent of the track operation

Meeting adjourned at 8:00 PM.
